

# **‘The Garret’**

## **The jewel in the crown in a county of contrasts**

Imagine breathtaking self-catering accommodation in gorgeous Somerset, with a timeless, understated feel and where you can experience a sense of complete refuge and retreat. Imagine winding country lanes, rolling hills, the sun reflecting from a golden pond as sweet bird song blends effortlessly with the gentle whisper of a water mill across a sparkling millstream...now imagine arriving there to the warmest of welcomes, knowing you are about to completely unwind at last in what is arguably the most beautiful county in England.

Owned and run by Nick and Barbie White, The Garret is a breath of fresh air, and is renowned in Somerset as the only self-catering cottage to book into. Why? Because, when it comes to Somerset self-catering accommodation of the highest quality, The Garret really is as good as it gets.

### **Self-catering accommodation in Somerset just got better!**

The beamed top floor of a charming Georgian Grade II listed former mill owner's house, The Garret is available for holiday lets and, surprisingly, at a price that won't break the bank.

Of course, there are many vacation rentals available in Somerset, but The Garret's reputation is difficult to beat. A stunning south-facing house set in a fold of the Mendip Hills, down a quiet country lane one mile north of Shepton Mallet, The Garret even has an adjoining water mill, millstream and pond.

### **Perfectly located for a Somerset holiday to remember**

The Garret's wonderful location also makes it a great base from which to explore the many scenic walks through the surrounding countryside. Fantastic Somerset attractions such as the Wookey Hole Caves, Cheddar Gorge and the Bath & West Showground are also nearby.

With all this and more, it's no wonder that so many of our valued guests return here and recommend The Garret as the 'jewel in the crown' of Somerset vacation rentals year after year, time and time again.

Why not join them and experience The Garret for yourself? We'd love to welcome you here!
