

WSI Internet Consultants – an independent Internet consultancy, with over 1500 franchisees in 87 countries, is now expanding even further in the UK.

We provide affordable Internet solutions tailored to the specific needs of businesses, and require a commission only Top Class Sales Person to operate in the Sussex, Kent or Surrey area (very generous commission).

This is an ideal and unique opportunity to work in the industry with a market leading company without paying high franchise fees.

The successful applicant will:

- have excellent presentation
- be confident and professional
- be goal orientated
- be highly motivated
- show demonstrable ability

You can work your own hours, and Head Office handles site creation and campaigns, so your job will be to sell them, finding clients that need: Websites, Search Engine Optimisation, Email Newsletters and Pay Per Click advertising programs.

If you think you've got what it takes, we want to talk to you.
